Tewksbury Public Library Policy

Food and Drink in the Library

In order to maintain the cleanliness and good condition of the library, the library limits food and beverage consumption to the following situations:

- Food and beverages are allowed for meetings and programs located in the first floor Meeting Room;
- Food and beverages are not allowed near library computers and equipment
- Covered beverages are allowed at tables and in Study Rooms;
- Uncovered beverages are not allowed;
- Non-messy snacks, not meals, are allowed at tables and in Study Rooms;
- If in doubt, library staff members will determine if a food item is a snack;
- You must clean up after yourself and notify staff if a spill occurs.

Library staff members will enforce this policy fairly and courteously.
