I	Rylant, Cynthia	Easy Readers	JE RYL	Poppleton
I	<i>various authors</i>	Easy Readers	JE SCO	Splat the Cat (I Can Read)

Interest and many other factors contribute to a child's range of texts. Different text levels are often utilized for different purposes by teachers. A reading level can be thought of like a clothing size. While you may identify with a certain pant/dress size, your closet has a range of sizes that work for you in different contexts.

Compiled by Heather Maganzini, Children's Specialist. 1/2020
