

## 1,000 Books Before Kindergarten FAQ

- Simply read any book to your child, ages 0 to 5 and write it down in the booklet.
- Yes! You can re-read titles and count them, but we encourage finding new books to try.
- When you fill up each booklet with 100 titles (there are 100 lines), return it to the Children's desk so a sticker can be added to your child's name and shape on the progress board.
- Pick up your next booklet!
- Upon getting to 1000 books, we'll have a special prize for your child!

### WHY participate in this program?

- Research shows that reading with your child will build their vocabularies, create empathy for others and strengthen the bond between you and your child(ren).

Books # \_\_\_\_ to \_\_\_\_

Name: \_\_\_\_\_

When you have written 100 book titles down,  
return this to the Children's desk to check in  
and get your sticker and next booklet!
